Successes	<p>Since Mr. Wark has assumed the role of Director, there has been a steady effort to form partnerships with the Directors of Equity & Compliance at UAA and UAF. This partnership have led to connections outside UAS that have already had impacts on processes on campus for the better. These connections have created relationships that extend beyond Title IX and have been a real asset to UAS.</p> <p>Two former UAS Title IX coordinators still work on campus in Romee McAdams and Lori Klein. Having them present has streamlined forming relationships around the campus and finding resources to assist in the Title IX effort more smoothly. The office is constantly evolving and making strides to work collaboratively across many departments.</p> <p>There is focused effort from UAS leadership to ensure that Title IX is fully equipped to conduct its duties. Bi-weekly Mr. Wark meets with chancellor Karen Carey which has been paramount to the building of trust between the Office of Equity & Compliance and the Chancellor.</p>
